

COVID-19: APRIL 27, 2021

With the increasing number of COVID-19 cases in Nova Scotia and all regions reporting cases, we continue to do our part in minimizing the spread.

Effective April 27th, in recognition of the indoor capacity limits we are lowering the allowable limit from five (5) to three (3) in branch and only one (1) at a time is allowed in the ATM room.

We are all in this together. Stay safe!
